Subject: Planning Application 2019/4741/P Ludham Undercroft / LMS

I object to the proposal to move the major rubbish and recycling facilities out of the Ludham undercroft and into the public domain of Lismore Circus or else the Elaine Grove junction with Herriot Place. Lismore Circus is a valuable amenity open space for the whole surrounding area, not just Ludham. The presence of a large open air rubbish collection point here or nearby, with its inevitably associated overflows and fly tipping would seriously degrade an asset greatly valued by those in the surrounding neighbourhood.
