Subject: Objection to Planning Application 2019/4741/P Ludham/Undercroft/London Mozaic School.

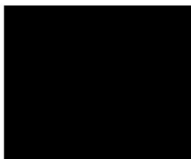

Dear Mr Fowler,

I object to the above application to move the rubbish & recycling bins out of the Ludham undercroft, and into the Lismore Circus area and Heriot Place/Elaine Grove junction.

This area is an important open space and play area for children, and a much used pedestrian through route, especially in the mornings and late afternoon/early evening.

Past events have shown that the bins being placed in the open will lead to flytipping and an increase in vermin, and create a health hazard for all those living in the area.

The bins should be retained as is presently the case, in the undercroft, and more collections per week take place than at present.

London

NW5 4QH.
