2019/5863P	[REDACTED]	11/01/2020 14:26:26	OBJ	<p>On behalf of Stirling Mansions Freehold Ltd and the 12 flats subjected to communal noise from gardens. We request that a roof terrace be denied at 8 Compayne as it was for 4 Compayne Gardens. Note Case Ref. ZA4172: 4 Compayne Gardens BREACHED PLANNING and erected a roof terrace illegally. Stirling Mansions was tireless in having the breach corrected and terrace remove. Noise echoes and amplifies at the back of Stirling Mansions and raised social spaces where dogs are left to bark and parties take place are problematic. Roof terraces do not increase living space. They are used to enrich landlords who let to transient tenants with no ties to neighbours or concern for social harmony. We believe this roof terrace would create financial gain for an individual while creating long-term sleep loss, loss of peace and increased noise disruption for many surrounding the garden.</p>
