2019/6192/T	Stefan O	11/01/2020 20:09:12	OBJ	<p>Ever since I was born, these lovely big trees have been in my life and I would be too, too sad if they are cut down...</p> <p>I look out at the trees while I'm eating my breakfast and watch all the different birds coming in and out of the trees. From my bird book I have recognised sparrows, robins, magpies, thrushes, woodpigeons, woodpeckers, and bullfinches as well as bats! They are very fast and fly very, very quickly and sometimes very low!</p> <p>The birds make beautiful birdsongs.</p> <p>PS please don't cut the trees down!!!</p> <p>written by Stefan (age 8)</p>

2019/6192/T	Virginia Cleugh	10/01/2020 15:13:45	COMMNT	<p>I support the application to fell the 4 trees on Langbourne Avenue because your report says that they are showing signs of disease and are damaging the pavement and drains, and block out light all year from peoples flats. also the trees are already huge and are only going to get bigger, so the trees will have to be removed at some point anyway.</p> <p>Also the estate is looking into on-street cycle parking so the space underneath could be used for that.</p> <p>Also all the other avenues on the estate have smaller, prettier, trees, like cherry blossom, so I think your proposal is more in keeping with the estate.</p>
