Dear Patrick,

Ive been asked to comment on 2019/6274/P by BCAAC. 31-37 Whitfield Street. On the Camden website I cant find this application at all so cannot make a comment that way. I have a printed version addressed to the Charlotte Street CAAC with your name on it so I wonder if you would register the comment for me?

We are glad that the plant which was originally going to be installed on the roof has been changed to a walled terrace. We feel that the proposed entrance way alteration will be an improvement on what is there now.

I look forward to your help in this matter,

Regards,

Jo Hurford
