2019/6041/P	Mr S Hines	15/01/2020 15:01:56	OBJ	I live a few doors from this property and I am concerned about the possibility of additional noise once the outdoor terrace is completed. Increasingly people are using their garden amd balconies as outdoor beer gardens which result in noise disturbance to neighbours. There is also the additional disturbance and dirt from the building process - something we have had to endure for many years with the flats near the railways, the new developments on Iverson Road that replaced the tyre fitting company and the garden centre and of course the school on Maygrove Road.
