2019/6092/P	Jonathan Byatt	14/01/2020 10:57:38	SUPC	Can Camden's gardening contractors to explore any review and reuse of existing flora and fauna impacted by this change. As this work is likely to involve significant works traffic the plants could be reused to continue producing pollution in Camden rather than merely being destroyed and removed. Many areas of Camden and it's a states would benefit from having any surplus plants shrubs or trees which would enhance the general environment of Camden and it Sparks, Estates or other open areas.
