2019/6391/T	Yvonne Wood	19/01/2020 17:53:25	OBJ	<p>As a tenant in this property for many years now, I have a particular interest in this matter and support comments made by the NNA on behalf of all residents.</p> <p>The loss of this tree will detract from the overall street scene. Maresfield Gardens is between two very busy roads and is blighted by heavy traffic particularly at school times. Obviously residents are subject the resultant air pollution and trees are central in combating the effects of this. The tree could benefit from maintenance work which owners have consistently failed to do preferring instead to 'chop' it down as part of the development works.</p> <p>The felling of this tree should be rejected and a TPO issued to secure its future.</p>
