Dear Alastair,

**Land adjacent to No.1 St John's Wood Park, London, NW8 6QS**

I am writing to you as a structural engineer on behalf of Form London Ltd.

Form London Limited is the structural engineering consultancy working on the abovementioned project. We have been commissioned to design the proposed structure and produce structural drawings and calculations to support the structural design in relation to the project.

We have a chartered structural engineer (MIStructE) who is a member of Institution of Structural Engineers (IStructE). They will inspect, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration to ensure compliance with the design. This will also be checked and approved by building control body. The certificate is attached at the end of this letter. The details of the chartered engineer are as follow:

Name: Alberto Darla

Contact email: [alberto@formlondon.ac.uk](mailto:alberto@formlondon.ac.uk)

Membership no: 028378575

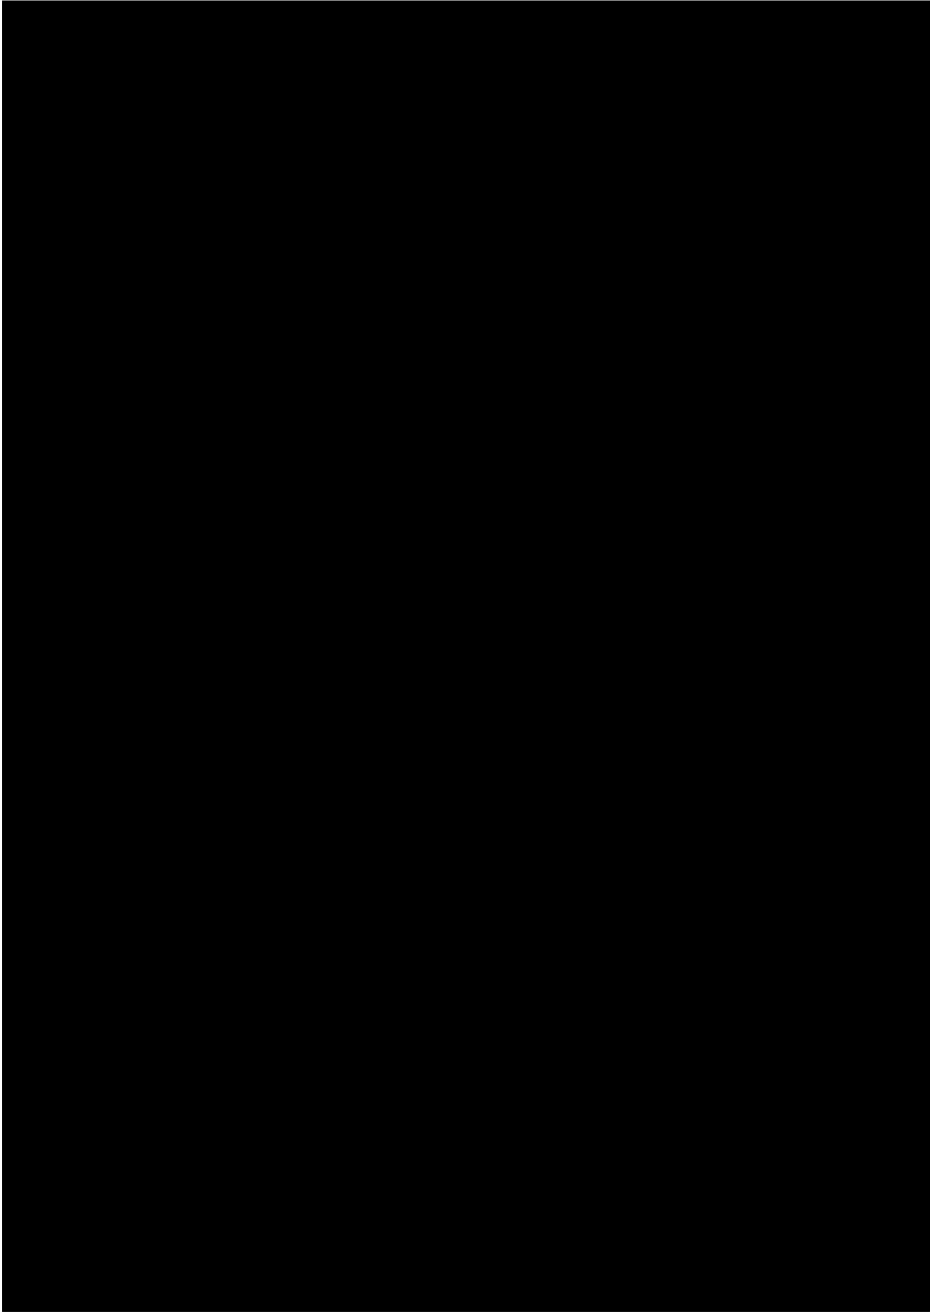

Yours Sincerely,

Faezeh Faghieh  
For and on behalf of Form London Limited
