Hi,

See below and the attached DPCAAC comments. I have checked the site and I cannot access either of the posted comments. DPCAAC comments have not been loaded either. The lack of a PIN number did not help.

Best regards

Nick Bradfield for DPCAAC

I was looking at 7 Dartmouth Park Road on Camden's website and the DPCAAC objection (which I totally agreed with) is not shown.

Could you find out what happened. Even though past closing date it would be worth chasing up as could form a precedent for future basement developments.

Best wishes
