2020/0190/T	Mal Parker	23/01/2020 11:12:00	NOBJ	This tree backs up hard against the garages of my home, 2 Frogna Close, and those of the adjacent 3 Frogna Close. As the danger exists that this tree may well, either now or in the future, undermine the foundations of the structures on my land I have no objection to its felling. Being a sycamore it is, in addition, a non native species so a more suitable replacement would be beneficial.
