

1. Dimensions given in millimetres unless stated otherwise.  
 2. All levels are in metres above AOD unless stated otherwise.  
 3. All dimensions to be verified on site prior to proceeding, and all discrepancies to be notified in writing to the Client.  
 4. The Client is to be informed of any inaccuracies of the existing works or surroundings.

**Notes**

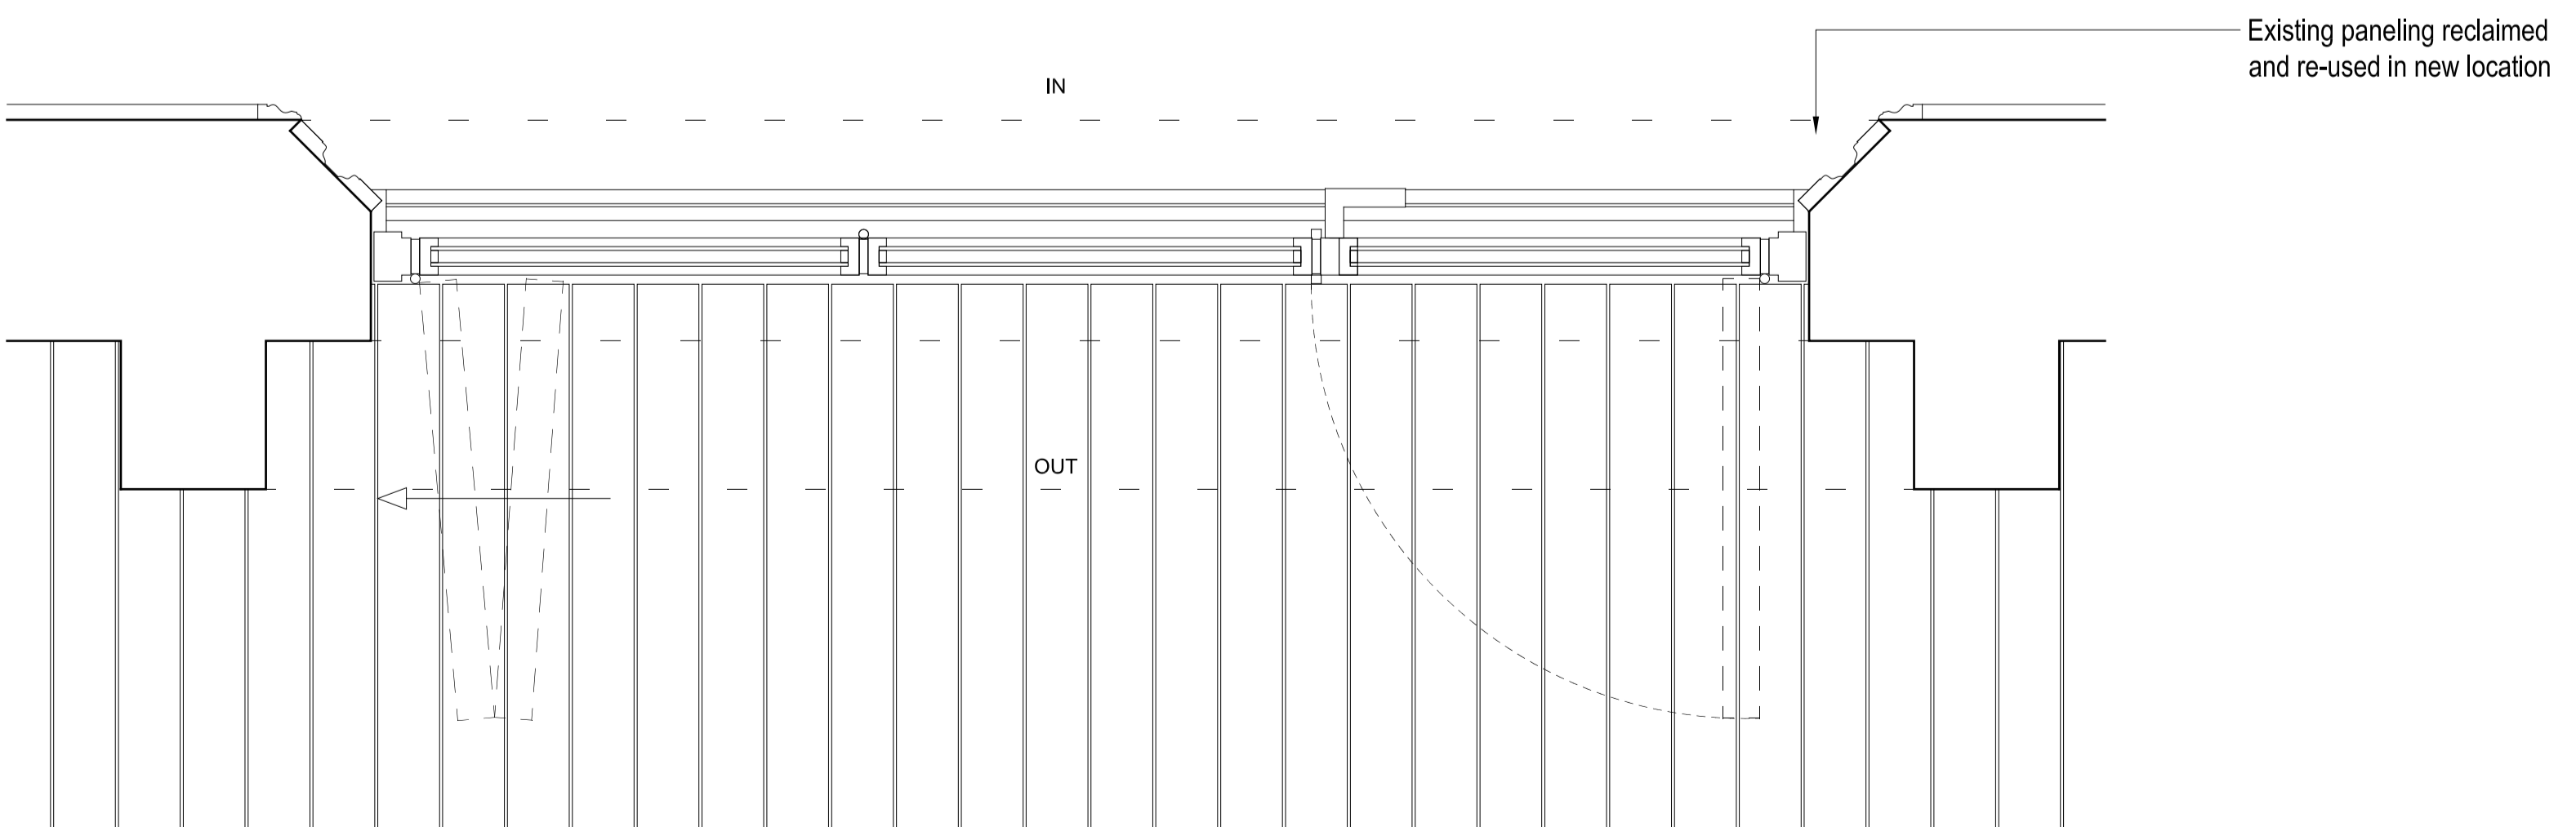

General note on brick coursing. Where relevant to proposed new works brick coursing has been shown indicatively. Information is based on site observation, photographic survey and on measurements which could be safely taken from ground level. As such there may be discrepancies between the brick coursing indicated on the drawings and the actual geometry of the existing brickwork.
