V CATV CATV EL IC 54.21 TOW 55.87 Wolf 1.000 Hannel GV 54.32+	DESIGNERS CDM NOTE - RESIDUAL RISKS IDENTIFIED The design Engineer(s) have analysed this design as the scheme has
TOW	been developed, in order to identify if there are any significant residual risk hazards (i.e. unusual, unexpected, abnormal or difficult).
TOW 55.31	Residual risks <b><u>HAVE</u></b> been identified and are therefore shown on this drawing. These risks have not been possible to remove by design.
	This statement assumes that a competent Contractor with the appropriate qualified staff will be employed for the works, and that they will be familiar with site wide construction risks and hazards that
	they can reasonably be expected to encounter as part of their work.           Level Key
