Application for tree works: works to trees subject to a tree preservation order (TPO) and/or notification of proposed works to trees in a conservation area.

## Town and Country Planning Act 1990

### Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

### 1. Trees Location

Number	<input type="text" value="29"/>
Suffix	<input type="text"/>
Property name	<input type="text" value="Barrie House"/>
Address line 1	<input type="text" value="St Edmund's Terrace"/>
Address line 2	<input type="text"/>
Address line 3	<input type="text"/>
Town/city	<input type="text" value="London"/>
Postcode	<input type="text" value="NW8 7QH"/>

If the location is unclear or there is not a full postal address, describe as clearly as possible where it is (for example, 'Land to rear of 12 to 18 High Street' or 'Woodland adjoining Elm Road')

Easting (x)	<input type="text" value="527495"/>
Northing (y)	<input type="text" value="183573"/>

Description

### 2. Applicant Details

Title	<input type="text"/>
First name	<input type="text" value="Mark"/>
Surname	<input type="text" value="Guy"/>
Company name	<input type="text"/>
Address line 1	<input type="text" value="Barrie House,"/>
Address line 2	<input type="text" value="29 St Edmunds Terrace"/>
Address line 3	<input type="text"/>

## 2. Applicant Details

Town/city	<input type="text"/>
Country	<input type="text"/>
Postcode	NW8 7QH
Primary number	<input type="text"/>
Secondary number	<input type="text"/>
Fax number	<input type="text"/>
Email address	<input type="text"/>

Are you an agent acting on behalf of the applicant?

Yes  No

## 3. Agent Details

Title	<input type="text"/>
First name	Clare
Surname	McMillan
Company name	Woodland Tree Surgery
Address line 1	6
Address line 2	Grasmere Road
Address line 3	Hornsey
Town/city	London
Country	<input type="text"/>
Postcode	N10 2DJ
Primary number	<input type="text"/>
Secondary number	<input type="text"/>
Fax number	<input type="text"/>
Email	<input type="text"/>

## 4. What Are You Applying For?

Are you seeking consent for works to tree(s) subject to a Tree Preservation Order?

Yes  No

Are you wishing to carry out works to tree(s) in a conservation area?

Yes  No

## 5. Identification of Tree(s) and Description of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out.

You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work.

Where trees are protected by a Tree Preservation Order, please number them as shown in the First Schedule to the Tree Preservation Order where this is available. You should use the same numbering on your sketch plan (see help for sketch plan requirements).

Please provide the following information:

- Tree species

## 5. Identification of Tree(s) and Description of Works

- The number used on the sketch plan); and
- A description of the proposed works.

Where trees are protected by a Tree Preservation Order you must also provide:

- Reasons for the work; and where trees are being felled
- Proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

e.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with one standard ash in same position.

T1: Ash: Co dominant stem at 1.5m with included bark. Crown encroaching road to west. Reduce branch to west over road by 2.5m to reduce risk of failure and to clear high sided vehicles.

T2: Ash: Large amounts of major dead wood throughout canopy. Inonotus fungal bracket at 6m on stem to north. Overextending branches to west, south. Reduce overextending branches by 2m to reduce risk of failure, remove stem with fungal bracket and remove major dead wood.

T7: Plum: Multi stemmed at base, large stem to east growing around fence with heavy lean into neighbouring property. Reduce stem to east by 3m to reduce risk of failure.

T8: Common Hawthorn: Originally co dominant stem at base, recently lost one of these stems to west. Remaining stem leaning heavily to east with mounding at base. Fell due to condition and lean towards neighbouring property.

T9: Mountain Ash: Heavy lean to east and pushing fence over. Fell to prevent damage to fence.

T12: Common Ash: Decay on main trunk to west at 2m. co-dominant stem at 5m with included bark. Decay on north stem at 8m. Lean to east towards neighbouring property. Small amounts of major and minor dead wood throughout canopy. Pollard to 8m due to lean and decay.

T14: Swedish Whitebeam: Staining on trunk, heavy lean to east. co dominant stem at 1.5m with included bark. Crown encroaching lamp post to south east. Reduce stems encroaching lamp post by 2m.

## 6. Trees - Additional Information

### For all trees

A sketch plan clearly showing the position of trees listed in the question 'Identification of Tree(s) and Description of Works' MUST be provided when applying for works to trees covered by a Tree Preservation Order. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes).

It would also be helpful if you provided details of any advice given on site by an LPA officer.

### For works to trees covered by a TPO

**Please note: If none of the proposed work involves trees covered by a TPO, please answer 'No' to the two questions below**

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application MUST be accompanied by the necessary evidence to support your proposals (see guidance notes for further details).

1. Condition of the tree(s) - e.g. it is diseased or you have fears that it might break or fall  Yes  No

If Yes, you are required to provide written arboricultural advice or other diagnostic information from an appropriate expert.

2. Alleged damage to property - e.g. subsidence or damage to drains or drives.  Yes  No

If Yes, you are required to provide for:

- Subsidence: A report by an engineer or surveyor (to include a description of damage, vegetation, monitoring data, soil, roots and repair proposals) and a report from an arboriculturist to support the tree work proposals.

- Other structural damage (e.g. drains walls and hard surfaces): Written technical evidence from an appropriate expert, including description of damage and possible solutions.

### Documents and plans (for any tree)

- Are you providing additional information in support of your application (e.g. an additional schedule of work for question 'Identification of Tree(s) and Description of Works')?  Yes  No

## 7. Tree Ownership

- Is the applicant the owner of the tree(s)?  Yes  No

## 8. Tree Preservation Order Details

If you know which TPO protects the tree(s), enter its title or number

## 9. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

## 9. Authority Employee/Member

It is an important principle of decision-making that the process is open and transparent.

Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

## 10. Trees - Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

Date (cannot be pre-application)

28/01/2020
