Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:
11 Chalk Farm Road
London
NW1 8AG

Proposal:
Installation of door to ground floor shopfront
Drawing Nos: Location Plan, Proposed Elevation 11 Chalk Farm Road, Existing
Elevation 11 Chalk Farm Road, Proposed Basement Floor Plan-DS/148.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans [Location Plan, Proposed Elevation 11 Chalk Farm Road, Existing Elevation 11 Chalk Farm Road, Proposed Basement Floor Plan-DS/148]

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposal involves the installation of a door in place of an existing glazed section of shopfront. The door would provide direct access from the street to basement level while still retaining access to basement level from within the ground floor shop unit. Therefore there is no self-containment or change of use taking place as a result of the works.

The works are relatively minor and there would be no harm to the appearance of the shopfront or wider streetscene. The door would be aluminium framed to match the existing.

The proposal would not give rise to amenity concerns.

No objections were received prior to the determination of this application. The planning history of the site and surrounding area were taken into account when coming to this decision. As such, the proposed development is in general accordance with policy A1, D1 and D3 of the Camden Local Plan. The proposed development also accords with The London Plan March 2016, and the National Planning Policy Framework 2019.
