

Att Mr M Dempsey

Dear Sir

I act as the managing agent for Camden Lock Business Centre Limited the freeholders of Academic House. The property has two tenants - Bauer Media Group and RNIB (Royal National Institute of Blind People).

I refer to the planning application 2019/4014/P & 2019/4502/L. [redacted] object to the application as it will have an adverse effect [redacted]. The roof area on which the installation is to be located is schedule to be recovered this year. [redacted] and additional equipment is going to have a severe impact of the smooth operation of the [redacted]. Access to the roof is restricted [redacted].

The street scene is going to be sorely affected by the installation on a building that has an architectural heritage.

There are a number of substantial residential blocks close by and the installation will be visible from those flats overlooking Academic House.

The application should be rejected

Your faithfully

[redacted signature]
