

Att Mr M Dempsey

Dear Sir,

I refer to the planning application 2019/4014/P & 2019/4502/L. As the main tenant we object to the application as it will have an adverse effect on our business during the installation and the ongoing maintenance as the roof space can only be accessed via our general office area.

I also draw your attention to the strict roof sight line conditions imposed on us during the refurbishment of the building in 2017.

The application should be rejected

Your faithfully
