2019/6016P		30/01/2020 08:58:54	NOBJ	As a resident of Islip Street, I would simply like to register my full support for the installation of these solar panels on Kentish Town Church of England Primary school. It's vital that every organisation in Camden is supported in its efforts to help the borough meet the recommendations the Camden Climate Emergency Citizens Assembly.
