2019/6374/P		03/02/2020 17:07:16	COMMNT	<p>The land falls away steeply between Pilgrim's Lane back gardens and Downshire Hill back gardens. It is very important that any basement to the rear of Downshire Hill has very rigorous engineering calculations. The area is prone to subsidence. Taking away earth that holds houses in Pilgrim's Lane in place, must not jeopardise their stability.</p> <p>How will this change the water table?</p>
