Dear Rachel

I write to you to formally withdraw my objection to the above planning application. My wife and I are the owners of the adjacent property, 26 Anglers Lane.

The reason for this is because of the design changes that have, subsequent to my initial objection and after consultation with the developer, been submitted as revisions to the original application. I attach here a plan and elevation of the revisions for your reference.

I would be grateful for a formal acknowledgement of receipt of this email.

Kind regards

Simon Page
