2019/5783/P		06/02/2020 10:48:55	OBJ	<p>We, the residents of St Albans Villas, NW5 1QY object to the proposed new building for the following reasons: We, the leaseholders bought our properties with the existing situation and privacy. The garden and communal area belong to the leaseholders who pay for the upkeep of it. Therefore, we object to have: back door from the retail to our private garden. Number Swains Lane does not have any use of our communal areas, there fore no access to our garden. We also object to the juliet or any other kind of balconies and large windows overlooking our communal area and looking into our homes. All windows should be kept at the existing level and no more than the same number and size as the existing windows. All windows should also be frosted to give us our privacy.</p> <p>We have had problems over the years with Mr and his tenants using our refuse area and our garden as their own, also using our communal area and security gate as a short cut to the flat above the shop. When approached, they have turned confrontational and aggressive, insulting the leaseholders.</p>
