Front courtyard
Current situation

Front courtyard
Proposal (illustration)

Proposal to enclose front courtyard

- Remove window
- Remove bars

- Add structural frosted glass (aligned to Level 0)
- Add new smaller window matching current design

Front courtyard
Current situation (view from street)

Proposed structural frosted glass will be hardly noticeable, especially when flowers and plant pots are placed

4ᵗʰ floor
Current situation and proposal (illustration)

Proposal

- Removal of cladding
- Removal of current door/window combination
- New larger door/window combination

4th floor

Current situation (panorama view from 4th floor terrace to opposite side)

Office building

4th floor
