2019/6354/P	Susan Witherow	11/02/2020 12:04:04	OBJNOT	<p>-Trees on allotment side not adequately inspected (inaccessible) to determine impact of heavy machinery, pile driving, etc. on roots and overall stability.</p> <p>- Proposed design out of scale and spirit to surrounding area. Proposed design feels forbidding in size and appearance, with little green space.</p> <p>-Limited parking seems unachievable for high end flats. With or without parking 34 flats means more delivery vehicles, ubers, and increase in traffic in and out of gates and on surrounding busy roads.</p> <p>- Hampstead needs more affordable housing for key workers not high end rentable flats</p> <p>-Why were there no planning notices posted in Spedan Close, Branch Hill, Oak Hill Way? How will residents know otherwise?!</p>
