

**OBJECTION From:
THE HEATH & HAMPSTEAD SOCIETY.**

This application to increase the width of the gates in the boundary wall and the also the area of hard paving in the front garden will enable more cars to park in what should be a valuable green-space.
Excessive parking in front gardens spoils the garden space that is an essential part of the character of the Conservation Area.

**This application that enables more cars to be park in front of the house and detracts from the Conservation Area.
