2019/5927/P	Julie Harris	15/02/2020 16:00:38	COMMNT	I am the freeholder of a property in Briardale Gardens directly adjacent to the property and grounds of 37 Platts Lane. The scale and design of this extension is not consistent with neighbouring properties and furthermore not in line with the values and quality expected in a conservation area. I believe this application would effect a considerable change to the nature and fabric of 37 Platt's Lane and therefore should be refused.
2019/5927/P	Laurence and Irene Bard	14/02/2020 12:13:43	OBJ	<p>We would like to object on the following grounds:</p> <ol style="list-style-type: none"> <li>1. the development will cause overlooking, intrusion and loss of privacy and outlook, as amplified in Redington Frogna! Neighbourhood Forum's objection of 4 February</li> <li>2. It will cause design harm within the Conservation Area, as amplified in Redington Frogna! Association's objection</li> <li>3. These were further amplified in our email of 4 April 2019, referring to overlooking of nos 33 and 35 (as well as 37), and acting as a precedent to destroy the integrity of the Conservation Area further. This development is more offensive than that of 2019.</li> </ol>
