**Subject:** Fwd: Rear of 1-3, Britannia Street. Green Living Wall / Brick Colour

Dear Laura,

I have already supported the green living wall proposal in the email I sent to Bethany Cullen below.

I have tried several times to support this on the planning website but there seems to be a glitch with the system.

I fully support the living wall on the planning application online (search for 2020/0030/P on the Camden Planning website).

Best wishes

Fiona
