2020/0224/P	John Weston	18/02/2020 22:01:19	OBJ	<p>I strongly object to the external lockers which will be just 5.5 metres away from the bedrooms of my house at 92 Fitzjohn's Avenue, and not that much further away from the many flats at Greenhill.</p> <ol style="list-style-type: none"> <li>1. Their use will prevent the peaceful enjoyment of my house. My wife works shifts and many lockers opening and closing all day long will definitely disturb her sleep. Surely an internal space can be found for the lockers - in the big new gym for example.</li> <li>2. The lockers are positioned only three metres away from where cars parking at the school must reverse. This does not seem very safe.</li> <li>3. Having the lockers externally located also seems to me to invite theft.</li> </ol> <p>Sincerely, John Weston</p>
