6. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The building is a typical 19th century house however, it had been totally rebuilt internally. Since is totally abandoned, and in a very poor state, the internal floors, the roof structure, dormer windows at the third floor are all reinforced concrete construction. Also, the building current state, definitely does not contribute positively to the prevailing architectural character of the surrounding area. The proposal aims, as per the previously granted application, to remove the existing concrete roof and unsympathetic dormer windows. Also to raise the brickwork, that will match the existing at the front and rear of the property in order to extend slightly the building and to form an extra floor with a natural grey mansard roof.
