SPECIFICATION OF WORKS
BATHROOM WET FLOOR SHOWER AND BETTER HOMES UPGRADE WORKS
AS SPEC AGREED WITH ENGLISH HERITAGE

- A. GENERAL**
- B. SCHEDULE OF WORKS**
- C. PLANS (ATTACHED AS SEPARATE DOCUMENT)**

A. GENERAL

1. Scope of Works

The work is to fit a graded wet area floor shower in the bathroom.

2. Period of the works

The work must be completed within a three-week period. A continuity of work must be maintained in order to minimise disruption and disturbance of the occupants. The flat & building will be occupied throughout the period of the works and facilities must be kept useable.

3. Safety of occupants of the block

The contractor shall ensure that all adequate and necessary precautions are taken to prevent accidents and inconvenience to other occupants of the block. At the end of each working day the contractor must ensure that the site is left safe and secured, with all communal areas clean & tidy.

4. Start date

Please give **five** working days notice of start date.

5. Details to be agreed on site

The position of the shower control, and riser bar are to be agreed with the occupational therapist on site, unless indicated otherwise.

6. Contact Information

Client/tenant: AS OT REQUEST

Occupational therapist: CHRIS HALLAM

Surveyor: Stephen Williams
