

CASTLEHAVEN
heart of your community

This application is too vague. They should also include how this property will be used safely as a nursery. At the moment it looks very ill judged and cramped.

Castlehaven, only metres away from this premise, runs a successful nursery established in 2015. As this has come under the title of a 'historic application' we wonder if the applicant knows of the existence of our nursery.

We ask that you refuse this application in its current form.

Yours sincerely,
