DATE	SERVICE	DESCRIPTION	QTY	RATE	AMOUNT
	Tree Removal	<p>-Removal of lime tree that is should be felled as the tree is showing serious signs of decay due to incorrect pollarding previously.</p> <p>- The tree also has a large crack in it which is caused by decay and this crack is very dangerous especially in high winds. It is advisable to remove this tree as a matter of urgency as could cause damage to neighbouring properties.</p>	[REDACTED]
