2020/0520/P	Charles Mindenhall	27/02/2020 16:39:25	SUPPRT	<p>Dear Sirs</p> <p>I note that the owners of 52 Redington Road (the property across the road from my house) have submitted Application 2020/0520/P to extend the height of their existing planning permission for gates from 1.5M to 2M.</p> <p>I am in total support with this application as note the design is in keeping with the road scene.</p> <p>I note that 59 Redington has recently obtained 2M gates which will only increase their security and can understand our neighbours at 52 have similar rationale for protecting their own property in an era of increased security in the road.</p> <p>Yours sincerely</p> <p>Charles Mindenhall</p>
2020/0520/P	Matthew Wood	26/02/2020 07:54:42	COMMNT	<p>Dear Sir/Madam,</p> <p>I understand that the owners of 52 Redington Road have submitted application 2020/0520/P to increase their existing planning permission for gates to their carriage driveway from 1.5M to 2M. In light of the significant crime in the road and the fact that many other houses have the same (most notably consent given for 59 Redington), I feel that this minor amendment to the previous application is in keeping with the road scene and totally justifiable. As a resident of Redington Road I therefore give the new application my full consent.</p> <p>Regards</p> <p>Matthew Wood 28 Redington Road</p>
