2020/0473/P	Alastair Loraine	29/02/2020 19:57:42	AMEND	<p>Dear Sir/Madam,</p> <p>I would like to object to the orientation of the proposed portacabin which is directly behind my garden fence. Please Amend this application.</p> <p>I have been in my flat No: 76 Gilbeys Yard, for 20 years. When I first moved in the area from the end of my fence to the rear wall of the car park was used by people taking illegal drugs, both smoking and shooting up, drinking, littering and sometimes people setting up tents. Often they will throw their drugs paraphernalia and cans over my fence. I have to check the garden every morning before allowing my dog out.</p> <p>The current position of the portacabin will make that area much more enclosed, a magnet for people wanting a quiet and secluded area to inject and smoke.</p> <p>I have worked with the Police, Camden Street Wardens and the Housing Association over the years to reduce the incidents that take place. This has been a huge success as the incidents that I notice, mainly late at night are much fewer than some years ago.</p> <p>I don't want all the anti-social behaviour problems to return</p> <p>I would ask that the portacabin be rotated 90 degrees, and put flush against to the car park wall, thus allowing us tenants that have occasional access to a car (Blue Badge) somewhere to park when necessary.</p> <p>I hope you will take my concerns into account.</p>
