2020/0721/T	Mariusz Stochaj	02/03/2020 16:36:46	OBJ	OBJECTION: This tree was heavily cut back on 5th February 2020 and large trunks removed as part of estate-wide tree works. It was agreed during the application process that felling should be postponed and the tree observed during spring and summer to ascertain whether there are any dead branches remaining. There's a TPO in place.
