2020/0915/T	Annick Mckenzie	03/03/2020 15:19:09	SUPPRT	<p>I would like to support the felling of this tree as I believe it is a danger to our property and potentially to people. I have been advised that Tom Little at Camden has stated this tree is decayed, cracked and in danger of falling over in high winds and needs urgent removal.</p> <p>Furthermore it is causing major problems to the party wall that sits in-between the two buildings and has caused the wall to become a danger. It is also likely to cause subsidence within our building.</p>
