The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or

aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

- 1 Reason for granting permission-

The proposed replacement vinyl signs would replace the existing in the same location and of same dimensions, with additional logos to the upper part of the window. The signs would be applied externally due to limited internal access. They would not obscure any architectural features and would respect the design, scale and fabric of the host building. They would not be unduly dominant in the street scene and would preserve the character and appearance of the Hampstead Conservation Area.

They would not be considered to disturb neighbouring occupiers or harmful to either pedestrian or vehicle traffic and therefore raise no public safety concerns.

The site's planning history has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.66 and s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policy D4

(Advertisements) of the Camden Local Plan 2017. The proposed development also accords with the policies of the London Plan 2016 and the National Planning Policy Framework 2019.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
