2020/0117/P	Kevin Fallon	04/03/2020 16:28:02	OBJ	<p>The proposed changes to King's Boulevard are sub-standard in regards to safe and practical use for cyclists and pedestrians. Experience has shown that "shared space" without clear delineation between space for cyclist and pedestrians leads to conflict and the issues which arise from this. Please would you require the developers to create two separate lanes, with clear marking for cycles and pedestrians in turn. Please would you also require adequate signage to make it clear that both cycling and walking is permitted in this space.</p>

Kind regards

---
