2020/0488/L	Paul Faiman	04/03/2020 21:46:32	INT	<p>We object to the vaults being changed into bedrooms as it is inappropriate to have such unsuitable and poor accommodation attached to listed, historic buildings of this quality.</p> <p>We object strongly to the kitchen being moved to the front of the basement. This is contrary to the original plan form of this Chester Terrace and will create unwelcome smells at the front of the house in the Terrace. All the other houses vent to the rear where cooking smell are less offensive</p>
2020/0488/L	Michael Webber	05/03/2020 19:18:24	OBJ	<p>Dear Sirs,</p> <p>I would like to register a strong objection to certain aspects of the proposed redevelopment of 15 Chester Terrace.</p> <p>1. The intention to make part of the existing vault area into a wet room is very disturbing indeed. Clearly it is the intention of the new leaseholder to use this area for living, otherwise there is no need for a wet room. The proposed usage of this space is quite scandalous. It would be wholly inappropriate for anybody to live in these vaults &amp; the intention to put staff here is disgraceful &amp; totally unacceptable.</p> <p>2. Furthermore I understand that the proposed changes to the vaults could make the pavements above less safe &amp; secure for pedestrians.</p> <p>3. The third reason for the objection to the planning application is the proposal to move the kitchen into the basement area at the front of the house. All houses on Chester Terrace have a uniform configuration with the kitchen situated on the ground floor at the back of the property. The cooking smells from this newly sited kitchen will mean other residents &amp; neighbours + pedestrians will have to endure this most unpleasant experience on a daily basis. No other resident on the terrace has a kitchen at the front of the property for this express reason &amp; it was designed this way by the architects. Why should the neighbours to Number 15 have the quiet enjoyment of their property interfered with in this way ?</p> <p>Yours faithfully</p> <p>Michael Webber</p>
