2020/0982/T	Dawn Cox	06/03/2020 10:01:12	OBJ	Trees and shrubs are so important for our wildlife and air quality, it seems detrimental to lose that, so many people are losing their focus on what is good for the environment and paving over gardens. How are we helping the environment by doing this. its especially important as its in a conservation area. I strongly object to the felling of this beautiful and crucial habitat.
