

LOCATION A WITHOUT POLE

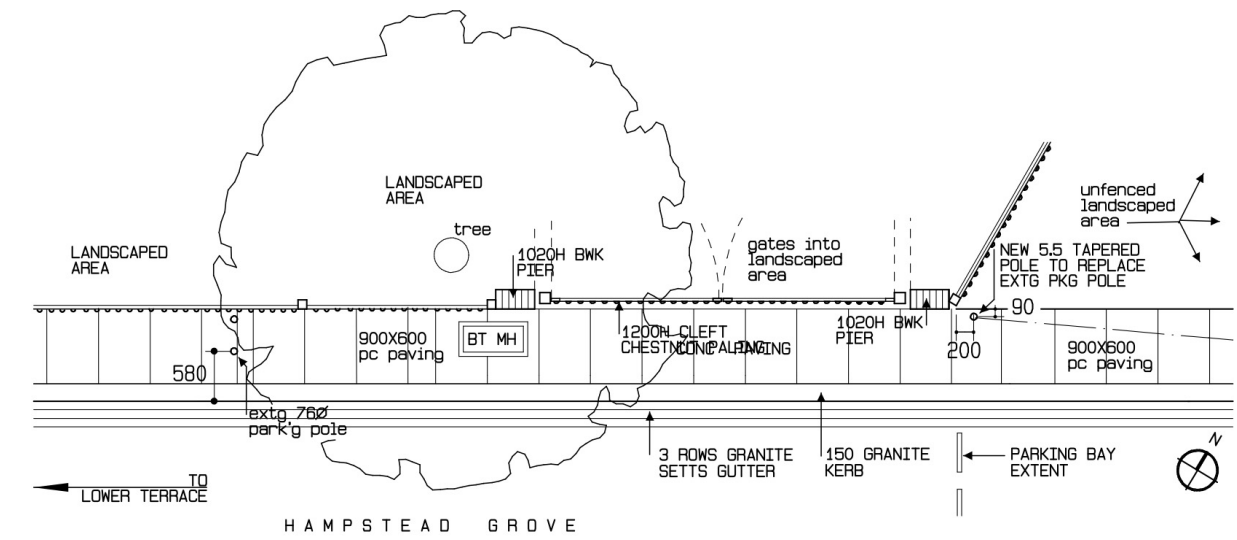

LOCATION A WITH POLE

DESCRIPTION:

The existing parking pole within the footpath to be replaced with a 5.5-metre high, tapered pole at the rear of the footpath approx 200mm to the right of the brick pier at the end of the cleft chestnut paling fence with a clear nylon filament extending along and across Hampstead grove to a replacement matching pole immediately to the right of the gate in the paling fence to the left of the bank of recycling bins.

Parking sign to be refixed at existing level to Pole A and footpaths reinstated.
