Subject: Re: Tree Query - 3 Tanza Rd

Dear Nick,

Thank you for this information.

There are in fact two trees which may come under this requirement.

I set out below the information you require. I hope I have sent everything you need, however if anything is missing do let me know ASAP.

Address of trees 3 Tanza Rd NW3 2UA
My Address as above
Owner of the above property: Suzanne and Joel McDonald
Details of the position of the trees: see attached sketch and photos
Species:

1. Crab Apple. I believe it is a crab apple and I attach a photo of the fruit which has made me think so. If you want to be certain please do check
2. Conifer – from a google search it looks like a Blue Atlas Pine. But again please do check.

Type of Work - both fell to the ground.

I trust this is sufficient information. I look forward to hearing from you to confirm the next steps.

Thank you

Suzanne McDonald
