4. Description of Proposed Works

Please describe the proposed works:

This application is for a side infill extension and ground floor interior refurbishment. The design is defined by the following key criteria:
.1 The height of the proposed extension is 2.5m tall along the boundary of the neighbours property. .2 The new roof is a flat roof and does not raise more than the existing volumes. .3 The proposed extension conforms to the height, scale and proportions of the existing additions in the immediate area.
.4 The proposed extension is subordinate to the mass of the main building. .5 A block and facing brick insulated cavity construction is proposed for the external walls to achieve the required thermal performance. .6 Dark grey aluminium folding doors will give access to the garden from the extension.
.7 One skylight in the rear of the extension is proposed to bring more daylight to the interior of the space.

Has the work already been started without consent?
