Address:

13 Woodchurch Road
London
NW6 3PL

Drawing Nos: 001, 900 , 901

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The externally lit signage shall not be illuminated with flashing elements at any time.

Reason: To ensure that the advertisement does not have an adverse impact on neighbouring amenity nor be harmful to either pedestrians or vehicular safety in accordance policy D4 (Advertisements) of the Camden Local Plan 2017.

Informative(s):

- 1 Reason for granting permission-

The proposed illuminated sign and flag are considered acceptable in terms of size, design, location and method of illumination as they respect the architectural features of the host building. They would not be dominant in the street scene and would cause no undue harm to the visual amenity of the area. As a result, the proposal is considered to preserve and enhance the character and appearance of the South Hampstead Conservation Area.

The signs would not harm the amenity of nearby residential occupiers in terms of outlook and would not be hazardous to vehicular or pedestrian traffic and therefore the proposal raises no public safety concerns.

No objections have been received prior to making this decision and the site's planning history has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policy D4 of the Camden Local Plan 2017. The proposed development also accords with CPG for Advertisements, the London Plan 2016 and National Planning Policy Framework 2019.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
