Hi Rav,

Hope you are keeping well,

We have been given a job at 34 Belsize Lane, London, NE3 5AE.

The site is located within a conservation but I was wondering if we will still need a planning application for the following works:

- T1 = Large BAY – Crown thin 25-30% removing major deadwood to create more light.
- T2 = Small EUCALYPTUS - Reduce height by 1m.

I have attached photos / Map for your reference.

Many thanks in advance!
