| 2020/0050/P            | Didi Blackhurst         | 18/03/2020 17:09:21 | NOBJ            | I was initially concerned to see a two story extension but having looked at the plans this is clearly a well thought out design conceived to avoid any impact on the adjacent buildings. I especially like the staggered form as it adds interest to an otherwise bland rear facade without being overbearing. |
