Dear Mr Marfleet

**Re Planning Application 2020/0928/P**

We are writing to you as the NW6 Residents Group. We are all interested parties to the above planning application as immediate neighbours to 89-91 West End Lane.

We have looked at the above application on the Camden Planning web portal.

In view of the complexity and the volume of this application we would like to ask you to grant an extension to the statutory consultation period.

We need to ascertain whether we might need to consult independent advice to evaluate how the planned development will impact on each one of us individually and in what way.

It will be impossible for us to fully understand all the implications of this application in the shortness of time, as many offices and experts are currently unavailable during the Corona Virus crisis.

We would therefore respectfully request that you grant an extension of the statutory consultation period, which currently ends on 5th April 2020, for at least a further 4 to 6 weeks.

We hope you understand that an application of this magnitude and impact on the lives of so many individual homeowners, and with long-lasting consequences to the neighbourhood as a whole will require due diligence from all us.

Please reply to us no later than 25/03/2020 to enable us to make meaningful responses to a fairly complex planning application.

Yours sincerely
