

Few examples of Victorian style railings along the same side of Belsize Park Gardens, and in the very near proximity

No. 15 Belsize Park Gardens (Victorian style railings and no connection among pillars)

No. 19 Belsize Park Gardens (simple railing only along the stairs, as proposed for No. 17)

No. 23 Belsize Park Gardens (similar to No. 19, but less attractive contemporary railings on landings)

No. 27 Belsize Park Gardens (Victorian style railings)

No. 53 Belsize Park Gardens (the solution that all freeholders oppose as it looks very unpleasant and not respectful of the character of the area)
