I write as the Chair of the Trustees of St Pancras Almshouses. We have 48 flats directly opposite the Lord Southampton which homes elderly and very vulnerable people. The noise that emanates from inside and outside the premises 24 hours a day is very detrimental to the peaceful haven that our residents have enjoyed for over a hundred years.

Furthermore allowing so many people to sleep in the same room in this world of ever increasing epidemics is totally unacceptable and detrimental to all our health.

Please restore peace to this community who have suffered immeasurable disturbance through day and night from Landlords and visitors who have a total disregard for people that live here.

Thank you
