Dear Sir/Madam

Town and Country Planning Acts 1990 (as amended)

**NOTIFICATION TO CARRY OUT EMERGENCY WORKS TO PROTECTED TREE(S) IN A  
CONSERVATION AREA**

Address:  
**9 Prince Albert Road**  
**London**  
**NW1 7SR**

Description:  
**DD 5 Day Notice REAR GARDEN: 1 x Conifer - Fell to ground level.**

Thank you for your letter/telephone call of 19 February 2020 giving notice that the above tree(s) are considered dead/dying /dangerous and require emergency works.

The Council confirms that the remedial works as described above are exempt from the need for further notifications or any formal application to the Council and you are therefore allowed to proceed.

Informative(s):

- 1 You are advised that the appropriate standards for tree work are set out in BS 3998: 2010. Failure to ensure that the proposed works are carried out to these standards may result in damage to the tree(s) and may result in legal action by the Council.
- 2 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests from construction works. For further information contact Natural England on 0300 060 4911 or [www.naturalengland.org.uk](http://www.naturalengland.org.uk).

If you have further queries please do not hesitate to contact the Tree Preservation Section on the telephone number above.

Yours faithfully
