Hi – can this be logged as an objection (I've tried doing it myself but now there's an error message in Trim every time I try to redact it!)

Thanks,

Kate

The majority of Council staff are now working at home through remote, secure access to our systems.

Where possible please now communicate with us by telephone or email. We have limited staff in our offices to deal with post, but as most staff are homeworking due to the current situation with COVID-19, electronic communications will mean we can respond quickly.

Dear Kate

**28 Harley Road - 2019/6350/P**

Please accept this email on behalf of my clients who own Harley Road as their objection to the planning application 2019/6350/P for Harley Road, NW3 3BN.

We agree with the reasons for objection as given by the Elsworthly Residents Association Chairperson with regards to the flue and the suggestion to putting it inside the existing chimney as a way forward. As well, we object to the changing of the roof line on the summer house as it appears to be turning it into a two storey building with living accommodation on both floors while not changing the height.

Can you please confirm receipt of this objection email at your earliest convenience.

Many thanks
